

VILLA TERESA®

ROSÉ FRIZZANTE VENETO I.G.P.
BIOLOGICO METICO®

Variety:

Made from Merlot and Raboso grapes coming from the province of Treviso, along the banks of Piave river.

No synthetic fertilizers or pesticides are used. Absolutely no GMO.

Denomination:

Veneto Protected Geographical Indication

Winemaking:

"White": the must is immediately separated from the skins to create a lively pink colour and enhance freshness and fragrance. Natural fermentation on selected yeasts at controlled temperature.

Tasting Notes:

Intense vivacious pink colour, elegant and fruity aroma.

Fresh on the palate with notes of wild strawberry.

Food Pairing:

Ideal with soft cheese and salami, great with fish. Pleasant as aperitif and between meals.

Serving Temperature:

6/8°C.

Alcohol:

11% vol.

Sugar:

18 gr/l

Total Acidity:

6 gr/l

Pressure:

2,5 atm

Packaging:

0,75 lt x 6 or 12 bottles in cardboard box.

Available with click cap (Metico®) or cork (Corda®).

0,375 lt x 12 bottles in cardboard box. Available with click cap (Metico®).
